PRESS RELEASE

FOR IMMEDIATE RELEASE

December 19, 2005

Contact: Jennifer Hoffman, Planning Director, Town of Frederick - 303-833-2388

The Mayor and Board of Trustees of the Town of Frederick invite everyone to attend an informational open house and Town meeting regarding a proposed peaking power plant to be located east of and near the Town of Frederick. The open house will be held from 5 p.m. to 7 p.m. on January 12, 2006 at the Frederick Town Hall, (401 Locust Street, Frederick, Colorado). The open house will be followed by a Town meeting starting at 7 p.m. on the same night where participants will be invited to share their thoughts regarding the proposed power plant.

Multiple alternative locations are being considered by the applicant (Invenergy). The alternative power plant locations are generally within the area bounded by Weld County Road 17, State Highway 52, WCR 21, and WCR 14. Information regarding these alternatives and the proposed peaking power plant will be presented during the open house.

For more information please call the Town of Frederick Planning Department at 303-833-2388 or visit the Town's web page at <http://www.frederickco.gov/index.htm>.
